PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN.

After the original painting by H. B. WIMBUSH.

TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

Blenheim Palace is a magnificent building of comparatively modern date which stands on the site of the old palace erected by Henry I. and in the precincts of which Henry II. built a bower for the "Fair Rosamond." The palace derives its present name from the famous battle, it being presented by the nation to the victorious Duke of Marlborough.
